Your factory finish is exposed to a wide array of elements such as tree sap, acid rain, bird droppings and even exposure from the sun that can cause permanent damage and loss of gloss. The professionally applied Treatment[®] process helps guard against these environmental hazards and protects the beauty of your factory finish.

5 Year Interior Protection

Ultimate Defense Against:

- Stains
- Beverage Spills
- Surface Discoloration
- Fading

Food stains and beverage spills on an untreated fabric interior surface can leave permanent, unsightly stains. A fabric interior that is protected by The Treatment[®] makes that a worry of the past. Vinyl and Leather are also protected by The Treatment[®] process guarding against stains, fading, mildew and discoloration.

3 Year/36,000 Mile Dent Protection

Shopping cart damage and door dings are common threats to the beauty and value of your vehicle. Included with The Ultimate Defense PlanSM are six prepaid Paintless Dent Repair (PDR) services per year (or 12,000 miles) for a term of 3 Years/36,000 miles. Each PDR service includes the removal 2 dents (measuring up to 4" in diameter) on fenders, doors, quarter panels and rear lift panels (on minivans and SUVs) that are repairable using the PDR process. There are no fees or deductibles to pay for each qualifying service.
